

DISCLOSURE FORM

“USE OF NON-GM WARRANTED PARTS”

The **IMITATION AND/OR USED SALVAGE COLLISION REPAIR PARTS** listed below have been specified for use in the repair of your vehicle. You should be aware of the following conditions:

- The parts used in this repair are not recommended or warranted by General Motors. Non-GM warranted parts are imitation and/or used salvage parts. These parts void the GM transferable vehicle factory warranty for that part and any adjoining or associated GM part or system whose failure is caused by an imitation/used salvage part.
- General Motors cannot assure you that these parts conform to General Motors standards for fit, finish, and corrosion protection.
- Depending on your specific vehicle and the specific parts used, these parts may not comply with Federal parts-making standards for high-theft vehicle lines.
- General Motors cannot assure you that these parts have been tested for compliance with Federal safety and crashworthiness standards.

I HAVE READ AND UNDERSTAND THE ABOVE INFORMATION.
