

## GENUINE NISSAN COLLISION PARTS REQUEST FORM

### SPECIAL NOTICE TO INSURANCE ADJUSTER:

Please see that my car is repaired using only Genuine Nissan Collision Parts. I want to be absolutely sure that the repairs do not void the corrosion protection aspect of my Nissan warranty. I also want the fit and finish to match the original. Imitation parts are not covered by Nissan's warranty. All Genuine Nissan

body and replacement parts must meet Federal Motor Safety Standards, whereas some imitation parts are not required to meet these same standards. I INSIST UPON THE EXCLUSIVE USE OF GENUINE NISSAN REPLACEMENT PARTS.
